

# JUSTIN JAMES GUTIERREZ

0993-475-7875 | gutierrezjustinjames63@gmail.com | Bacoor Cavite, Philippines

## SUMMARY

---

Computer Science graduate with an interest in emerging technologies and digital media. Seeking to apply technical skills to hands-on projects and continuously expand my IT knowledge within a professional environment.

## EXPERIENCE

---

### SMDC — Technical Support Intern

June 2025 – August 2025

*Pasay City, Philippines*

- Deployed and maintained computer systems and hardware for company-wide personnel
- Managed device inventory and documentation to ensure precise equipment tracking
- Resolved IT support tickets efficiently, minimizing downtime through rapid troubleshooting
- Collaborated with vendors to facilitate hardware upgrades and system integrations

### Knowles Training Institute — IT Team Lead Assistant Intern

June 2024 – August 2024

*Singapore, Singapore*

- Maintained and optimized multiple WordPress websites to ensure high performance and security
- Streamlined administrative tasks, including the processing of weekly reports
- Managed offboarding documentation, specifically creating and issuing certificates for interns

## SKILLS

---

Troubleshooting · Video Editing · Hardworking · Technical Proficiency · Time Management · Adaptability

## EDUCATION

---

### De La Salle University – Dasmariñas

August 2022 – August 2026

#### Bachelor of Science in Computer Science

- Major in Intelligent Systems
- **Magna Cum Laude**

## PROJECTS

---

### JSquared Cinema <https://jjsquared.vercel.app/> ↗

A dynamic streaming platform for movies and series that integrates public media APIs to deliver real-time content discovery, trending titles, and detailed media metadata through a responsive and user-friendly interface.

### FallGuard

A fall detection system utilizing skeleton-based Long Short-Term Memory (LSTM) models and MediaPipe to provide automated home safety monitoring and instant alerts for elderly or solo residents.

### VitalPoint

A simple clinic appointment and scheduling system designed to streamline booking workflows, manage practitioner availability, and prevent double-booking through an administrative dashboard.

### KTaby <https://ktabys.vercel.app/> ↗

A centralized discovery platform and information portal dedicated to K-Pop fans, featuring structured group profiles, member details, and integrated real-time news feeds.
